Professional statement

My name is Sivaranjani. I'm a B.Tech student at SRM TRP Engineering College, passionate about building a strong career in **cybersecurity**. With a current CGPA of **9.5/10**, I'm driven by curiosity, a problem-solving mindset, and a desire to make digital systems safer.

I'm currently pursuing the **Google Cybersecurity Professional Certificate** and have completed 4/8 modules — focusing on foundational skills like network security, Linux, SQL for security, and risk management.

 I'm currently seeking a short-term **cybersecurity internship** where I can apply my skills, learn from real-world scenarios, and grow in the field.
